Thanks to Dr. Elaine Ealy for her fun activities in an effort to re-activate our membership. As many of you are aware, we have been having low attendance at many of our activities. We are not alone as witnessed by other organizations in these times.

Many of our members have and are having challenging times with the loss of family, friends and loved ones. Please reach out to each other and offer your love and support.

To all the families who have suffered a loss, may God continue to comfort and strengthen you at this time.
