HURRICANE SEASON IS HERE.... ARE YOU PREPARED?

Although we hope to be spared the wrath of another hurricane, it is our responsibility to be prepared. For all you will need to know about being prepared, what to do when there is a watch/warning, during and after a hurricane, visit the Palm Beach County website at pbcgov.com and click on the link in the top right corner "Hurricane Preparedness". This link has a very helpful *Hurricane Survival Guide*. Don't wait until a hurricane is bearing down to review this information as you may not have enough time to do all that is necessary to keep your family safe and secure.
